

“Young Love” It’s Joys and Perils!

This Document contains extracts from the e-book “The
Young Heart Awakens”

For the young the search for Love usually begins gradually...it often starts with a wistful sigh, and a sweet, sweet dream about a ‘special’ someone who will see *you*, the *REAL YOU!*

Wishing

Someone to love,
Someone to hold,
Someone to tease,
Someone to scold.
Someone understanding
When I'm feeling down,
Someone who won't
On my bad humour frown.
Someone who'll love me
As I will love him,
Whose problems I'll share,
No matter how grim.
Does my someone exist?
How can I say?
But maybe we'll meet,
Maybe, some day?

Falling in love for the first time is an incredible experience...every corny thing they say about it in books and movies is *absolutely true!* It is heart-stopping, earth-shaking, *amazing!* Unfortunately, it can also be painful, heart-breaking and even *devastating* as our first love seldom works out, even though we might have put *everything* into the relationship – and that is often *a huge part of the problem...*giving too much, too soon.

As young women we often have totally unrealistic expectations of the ‘rewards’ the giving of ourselves, our bodies will bring. We expect our actions to be seen and respected as the sincere, committed and loving gesture *we saw them as*, but a man (or boy) *certainly doesn't see it that way at all!* What was ‘**special**’ to you was not necessarily ‘special’ to him, for the vast majority of men or boys it’s ‘casual sex’, *a bit of fun*, just another ‘conquest’ and ‘**goodbye**’...onto the next obliging, gullible girl. *To many it's no more meaningful than getting a free ride on a bus!*

The most common advice given to young women today [apart from practising ‘safe’ sex] is that she should ‘*really care*’ about the guy first, presumably it’s just too bad if he doesn’t actually ‘*really care*’ about her!

Separation

My heart is wildly pounding,
I know soon he'll be along,
But not until tomorrow,
And today's so very long!
Is he thinking of me now?
Does he hunger just for me?
Is he lying, still as I am,
Crying, dying inwardly?
How wretched is the man or task
That keeps us both apart,
When I must go through agony,
And naught will ease my heart!

The first time *any* girl (or woman) gives herself and her virginity willingly and wholeheartedly to *ANY* man she must understand, right from the start, *that it will undoubtedly mean very much more to HER than it will EVER mean to HIM!*

Even if it is *his* 'first time' too [which is highly unlikely] *he* will have lost *NOTHING irredeemable*, *NOTHING that can never be replaced...* only the woman has given *that* much to the relationship, *which is precisely where the error of embracing modern thinking comes in, for it not only undermines but also completely DEVALUES the whole core, the very ESSENCE of our femininity.* We cannot *allow* ourselves to be *demeaned* like that, *CHEAPENED like that!* Tomorrow comes, and suddenly, unexpectedly, everything is *very* different.

Tomorrow

Tomorrow things will go *better* again,
Tomorrow he'll tell me *he loves me* and then,
Tomorrow my heart with happiness *shall sing!*
Tomorrow maybe he'll buy me a *RING!*
Now Tomorrow is Yesterday.
He said none of the things I'd hoped he'd say.
I'd tried not to see how we'd drifted apart.
Tried not to cry as his words broke my heart.
No more 'Tomorrows' will there be for me.
The one that I love nevermore shall I see.

Pre-marital sex is now TRIVIALIZED, *downplayed* and legitimized, the *SURRENDERING* of our *BODIES* excused and accepted as “Just something every girl *has to do* if she wants to keep her man”, *but certainly in the eyes of God*, and surely in our own eyes too, *we are BETTER than that...worth MORE than that? DON'T ACCEPT this modern-day 'COMPROMISE' that substantially and very effectively actually diminishes EVERYTHING we are as women!* This is EXACTLY when the young and pure in heart *make dreadful, life-changing mistakes*, and expose themselves to *enormous emotional harm* by giving their ‘all’, hoping and expecting to receive someone else’s ‘all’ in return...*but LIFE is not like that, and all too many men are NOT AT ALL like that!* ‘Meaningful relationships’ and ‘Commitments’ are the *last thing* they’re looking for!
